Product highlights

Premium ice cooler with pivoting head
Follows every curve of the body perfectly for an optimal cooling and gentle epilation.

New ceramic epilation system
*Thanks to its unique ceramic material and ergonomic shape the epilation head catches more hairs ensuring up to 20% faster epilation. *Compared to Philips Satin Ice*

Hypoallergenic discs
Reduce risk of allergic skin irritation taking extra care of your skin

Active massage system for skin relaxation
The integrated massaging system relaxes your skin and makes Satinelle Ice the most gentle epilator from Philips.
